

Blooniverse Cybernetics Ltd

Cybernetic Engineering

Blooniverse Cybernetics Ltd provides a corporate shell for transdisciplinary innovation (R&D). Integral part is a small family office onchain. The Swiss brand Blooniverse and Blooniverse.eth (an Ethereum onchain domain) are also under this umbrella.

Since 2017 the main activities comprise: Web3 infrastructure operations & onchain network data analysis.
Since 2023 there is an increasing focus on Microsoft technologies, especially Azure, Azure AI and Power Platform.

Vision

Provide out-of-the box solutions that enable us to leave behind obstructive conventions or inert stagnation. Holistic ideas and cybernetic systems help us to gain courage, develop in a versatile way and grow sustainably.

Mission

Blooniverse provides transformative services and tools which help us to make the transition from feudalism (esp. techno-feudalism) and capitalism (esp. corporate fascism) to the openness of progressive informationalism and, subsequently, the wholeness of holism.
